## YOUR EXCLUSIVE COUNTRYSIDE SANCTUARY

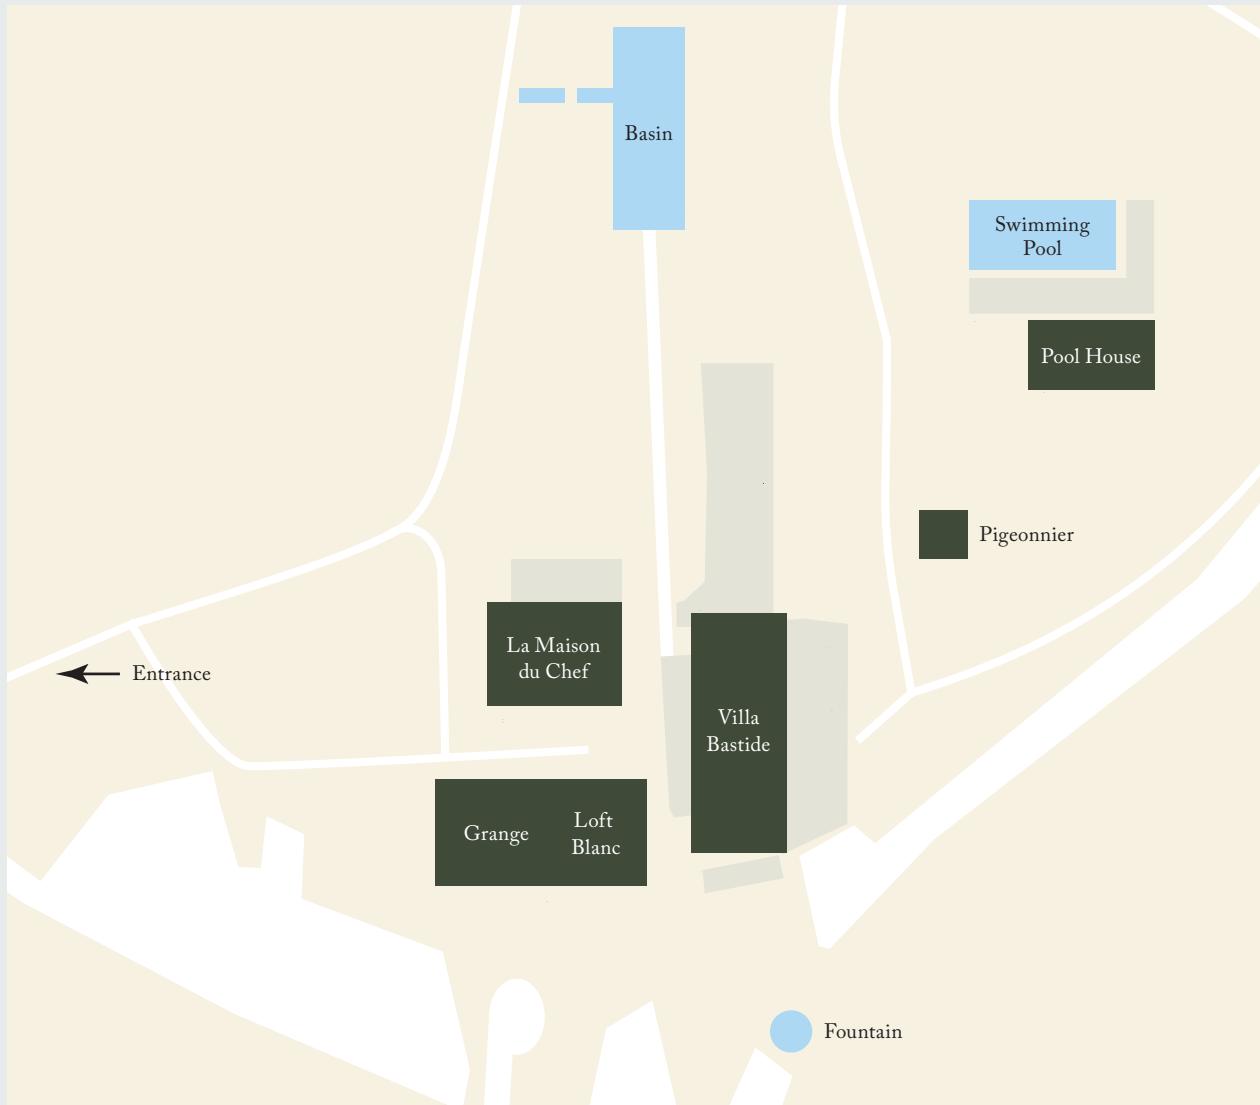

Occupying a 3-hectare private park at the foot of the Luberon, find yourself nestled between vineyards, olive trees, and almond groves. It's the ideal base to explore the region, whether venturing to the nearby hilltop villages of Bonnieux, the walking and hiking trails of the Luberon Natural Park, or the cobbled streets of Lourmarin. This charming village is one of the most beautiful in France, with a rich cultural calendar of festivals, concerts, and street markets, as well as lively cafés and outdoor terrace restaurants.

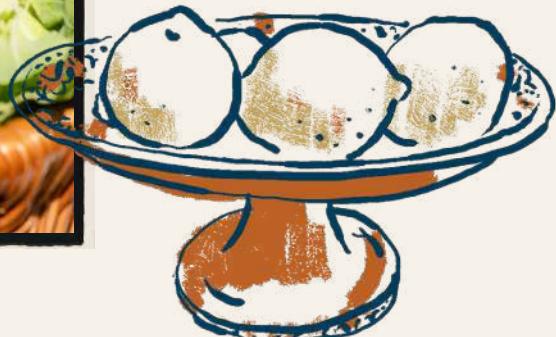

## A SPACE FOR HARMONY AND REST

Surrounded by ancient stone buildings and shaded by large trees, our bastide exudes character and charm. The lovingly landscaped grounds feature woodlands and wildflowers, an outdoor swimming pool, a terrace, and a pétanque court. Intimate spaces like the Maison du Chef offer unique settings for private gatherings and meetings, while well-appointed self-catering kitchens reflect our passion for fine gastronomy. The perfect environment for creating unforgettable experiences.

## SEASONAL SIMPLICITY

Our food is nourishing, sustainable, and made with the finest locally sourced ingredients. Begin your day gently with our traditional breakfast—fresh pastries, local goat cheese, artisanal jams, juices, and seasonal fruits—best enjoyed alfresco. Our fully equipped kitchen is designed for passionate cooks, offering everything you need to create your own culinary delights. For a more indulgent experience, you can also book a private chef from our trusted recommendations. Please note that we do not have an on-site restaurant, ensuring you the freedom to cook and dine at your own pace.
