Le Moulin

MÉDITERRANÉE

A TASTE OF PROVENÇAL VILLAGE LIFE

With an old-world-meets-modern-day charm, Le Moulin exudes the inviting comfort of a friend's holiday home. Our hotel, a former 18th century oil mill, is warmly welcoming and deeply rooted in the local community; an authentic and sincere embodiment of Provence. It won't take long for you to be swept away by the innately creative and artistic ambiance. Hosting an event here, however large or small, professional or convivial, will be infused with the essence of this cultured region.

IN THE HEART OF LOURMARIN

An intimate retreat in an area full of life, our hotel sits at the edge of the hill-top village of Lourmarin. A thriving arts scene, lively café culture, and brimming calendar of cultural events will fill your days.

We are perfectly situated on one of the village's main streets, with a terrace that's perfect for people-watching with a glass of pastis in hand. Our terrace is shared with our café-épicerie, 'Les Commissions' offering local foods, preserves, coffees and pasteries.

AN IDYLIC RETREAT

The Luberon's countryside inspires with its beauty: rolling hills, sprawling vineyards, blossoming almond trees, and fragrant olive groves. It's a reminder that life is simple. The grounds of Le Moulin provide a secluded haven where nostalgia and modern touches blend seamlessly - a perfect backdrop for your retreat, gathering, or celebration. A large patio invites you to unwind, socialise, or host events, and a swimming pool surrounded by ancient stones and shaded by large trees is a secluded spot for relaxation.

NATURAL, NOURISHING FOOD

Sustainability is second nature to us. Our menus are nourishing for the body and soul, crafted with local, seasonal ingredients of the highest provenance. Enjoy incredible seasonal dining at our bar and restaurant, where you'll taste the sun-ripened flavours of Provence.
