## A RARE SETTING

Discover the village of Lourmarin, a Provençal jewel nestled between vineyards, olive groves and almond fields. One of the most beautiful villages in France, Lourmarin comes alive in summer and winter with events, festivals, concerts, lively markets and a rich local life.

Ideally situated close to Bonnieux, one of the hilltop villages of the Luberon, it's an ideal base from which to explore the region and soak up the Provence.

Le Galinier, a Provençal bastide, will host your celebrations to make the wedding of your dreams a reality.

## LE GALINIER

In Lourmarin, facing the Grand Luberon mountains, lies a discreet 18th-century bastide - a typical Provencal country house - and its landscaped grounds.

A unique place, Le Galinier offers the ideal setting to relax, enjoy the best of Provence and celebrate life. Play pétanque in the shade of the garden; savour generous local cuisine and the scent of local flowers in your room; or simply bask in the shade of the wooded park.

Le Galinier is a dream of Provence come true.
